

PROJECTS ○

Pinq Software

UI/UX Designer, Graphic Designer

Pinq is a freelance development group that aims to develop mobile games, applications and websites.

Vampir Koylu

UI/UX Designer, Graphic Designer

Vampir Koylu is an online multiplayer role-playing and bluffing game based on a social deduction game called Werewolf.

Telastory

UI/UX Designer, Graphic Designer

Telastory is a turn-based story completion game that aims to reach fantasy writers.

Spax the Fox

UI Designer, Graphic Designer

Spax the Fox is an endless platform runner inspired by Google Chrome's famous Dino game. It was a hobby project developed within a single day.

Sosyaaal

UI/UX Designer, Graphic Designer

Sosyaaal is a social network application targeting students and alumni of Ankara Atatürk Anatolian High School. It had all the features expected from a modern social network platform, with compelling mobile applications and a website, and managed to reach 1.000 active users.
